# Brainstorm:

## Force, Motion, and Magnet games

Make a list of ideas you have for games. Share your list with friends and family and get more ideas. Every box must have one idea.

Circle your top three ideas.

Pick one.

What will you call your game?

---

Sketch your idea for your game.

What force are you using in your game

- Push
- Pull
- Push and pull
- Magnets
- Friction

Explain how your force will work

---

---

---

---

Make a list of materials you will need.

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.

Share your ideas with a friend. What questions did they ask? What changes did they suggest?

---

## Create and Play

What happened during creation and play that worked well?

---

---

---

---

What happened during creation and play that didn't work and needs adjusting? What will you do?

---

---

---

---

## What did you learn?

What would you do differently if we started over? What did you learn that will influence what you do next time we create?
