

Native American/Indigenous People Scratch Project

Team name:

Members:

Choose two Native American tribes. Fill in the chart with the information about the tribes.

	Tribe:	Tribe:
Location		
Type of homes		
Clothing		
Food		
Tools/Weapons		

Citations (links) or Name of book and author:

Go to <https://scratch.mit.edu/ideas>

Select the Create a Story tutorial.

Read and play with the ideas for making a story. You will be doing this to showcase your Native American tribes.

Plan a story to teach about the Native American tribes you chose. Include pictures, movements, and text for your story. If you need more blocks, click on the last row, push down with two fingers, click insert row below.

1	2	3
4	5	6
7	8	9

Now create in Scratch!

Publish your link to the Padlet by November 3.
