How to Edit

Click [Edit This Slide](#) in the plugin to make changes.

Don't have the Nearpod add-on? Open the "Add-ons" menu in Google Slides to install.

Broadcasting

Do Ink

How does it work?

1. Take a picture or video in front of a green screen, green table cloth, green wall.
2. Now, find a background image/video you want from your photos or the internet.
3. Go into Green Screen by Do Ink. Click + new project.
4. On the bottom, click the top + and click on the video/picture with the green background.
5. On the 2nd + add the background video/image.
6. Click Export video or Click image and Capture image.
7. Click SAVE where you want to save it

My Simple Show

www.nancypenchev.com

1. Go to <https://videomaker.simpleshow.com/>
2. Click create new movie
3. Choose write a script
4. Choose a blank template
5. Type your script using the template provided
6. Click choose visuals
7. Click choose audio.
8. Click finalize video

Example

Stikbot

1. Open the app
2. Select create movie
3. Take pictures of an object by touching the red camera
4. Move the objects slightly, take another picture
5. Repeat the process until you have completed the movie
6. Click the right arrow then the triangle to watch the movie
7. Click the + to see options for timing, sound, recording looping, and animations.
8. Watch again, adjust as needed.
9. To save, click the down arrow and save to the camera roll.

Green screen/blue screen can be added by clicking on the gear symbol when you start the process.

Chatterkids

- 1. Select where to find the picture you want to use. You can take a picture or use one from your camera roll.**
- 2. Size the photo and move it to your desired location. Then click NEXT.**
- 3. Draw a line where you want the mouth to appear.**
- 4. Push the microphone and wait for the countdown to record. Touch the orange button to stop. You can watch by pressing the green arrow. When finished, touch next.**
- 5. Customize the Chatterpix with colorizing, stickers, frames, and text. Press next when complete.**
- 6. Touch the button on the bottom right to save to your camera roll, from there you can load to other APPs, load to youtube, and share through messaging or mail.**

1st grade word problems

5th grade water safety

Adobe Spark

1. **Create a login using your school email and a generic password that you can share with your students.**
2. **Start with a story - pick a template that matches your story or start from scratch**
3. **Add pictures and text - choose a layout that matches the page. Add pictures or text. Pictures can be added from the device or the internet.**
4. **Record your voice- Use touch recording to record a story.**
5. **Add a soundtrack - Select the perfect sound to enhance the story!**
6. **Review and share!**
